

LUMMI INDIAN BUSINESS COUNCIL

9-29-09

I have had the opportunity of being a customer of Benchmark Document Solutions of Bellingham, Washington for the past several years. With the help of Benchmark's owner, Fred Schacht, our company was able to get on the right track with getting all the right Xerox equipment that was needed to be compatible with our computer systems. During the past few years, Mr. Schacht was fortunate enough to have hired an inspiring lady named Sandy Skrabut, who has become a valuable asset to our company for being our representative for all our Xerox equipment needs. She is very knowledgeable of the different pieces of equipment, whether it be a copier, printer or fax machine, and she is right there any time an employee of ours from any of our many departments needs assistance, whether it be changing a toner or drum or assisting in ordering some of the supplies (besides helping them with the purchase or lease of equipment). I am very happy and satisfied with Benchmark Document Solutions, as our company has in possession over 75 copiers, printers and fax machines that we have either purchased or leased from them.

Sincerely,

Ernie Brewer

Purchasing Manager
